Re: Phase I Bond Release for Reclaimed Areas, Task No. 2513, PacifiCorp, Des-Bee-Dove Mine, C/015/0017

Dear Mr. Semborski,

The above-referenced amendment has been reviewed. The following deficiency was noted. Please address the deficiency by August 11, 2006 so that we can proceed with the Phase I bond release application for the main mine facilities of the Des-Bee-Dove Mine.

R645-301-880.310, As discussed with the Permittee on June 15, 2006, the laboratory analyses from the bathhouse pad out-slope must be included in the Change Order Tab or accompany the Phase I bond release application.

If you have any questions, please call me at (801) 538-5286 or Wayne Western at (801) 538-5263.

Sincerely,
